(b) Position elimination. A Participant whose employment is terminated by the Company after December 31, 2024 and before the Payment Date solely because the Participant's

(d) Leaves of absence. A Participant on an approved leave of absence on the Payment Date is treated as employed. Because the bonus is based on Base Salary Earned, periods of unpaid leave reduce the bonus proportionately.

The Plan Administrator's interpretations are final and binding to the maximum extent permitted by law. Bonuses are paid in cash through payroll, less applicable withholdings.

8. Taxes; Section 409A

Bonuses are intended to qualify as short-term deferrals exempt from Section 409A of the Internal Revenue Code and will be paid no later than March 15, 2025. Bonuses are supplemental wages subject to withholding.
